

Unofficial composing tourneys at WCCC 2017, Dresden

Proposals are invited for unofficial composing tourneys with set themes. Please submit your proposals to the coordinator, Torsten Linß, torsten.linss@googlemail.com.

In recent years some of the unofficial tourneys were only vaguely related to the congress. Tourneys announced months ahead of the beginning of the congress and open to nonparticipants barely have any connection with the event. Thus, for **WCCC 2017** only the following two formats of tourneys will be supported.

One week tourneys

- Announcement: Saturday, 5 August 2017, at the congress venue and on the website
- Closing date: Thursday, 10 August 2017, 22.00 (Dresden local time)
- open to participants and nonparticipants alike

One month tourneys

- Announcement: Saturday, 15 July 2017, on the congress website
- Closing date: Thursday, 10 August 2017, 22.00 (Dresden local time)
- for congress participants only (joint compositions with nonparticipants are admitted)

Furthermore,

- judges should be present at the congress;
- organizers should provide PDF-files of the award for the bulletin;
- joint compositions should not be excluded.

Note that tourneys not complying with these guidelines will not be featured on the congress website and in the congress bulletin.

Closing date for proposals: 20 June 2017.
